## GARDEN FERTILIZERS

# GARDEN FERTILIZERS

NPK with 17+ Chelated Nutrients

## Gardening Ki Equation **SIMPLIFIED**

**1 SACHET + 1L WATER = 0 STRESS**

**It's that Simple!**

Let's Grow Something  
**Meaningful  
Together!**

STAGE  
**1**

*Nitrogen Rich Stage*

### Herb & Leaf

**10 Sachets**

*makes 10 litres of fertilizer*

Start with Herb & Leaf Nutrition to support strong leaf and plant growth.

STAGE  
**2**

*Phosphorous Rich Stage*

### Flower & Bloom

**10 Sachets**

*makes 10 litres of fertilizer*

When flower buds begin to appear, switch to Flower & Bloom Nutrition to boost blooming.

STAGE  
**3**

*Potassium Rich Stage*

### Fruit & Veggie

**10 Sachets**

*makes 10 litres of fertilizer*

Once small fruits start forming, use Fruit & Veggie Nutrition to enhance fruit size, flavour and yield.
